# Abu Dhabi Railway Station Uses Foldable Containers for Two-Way Charging

How many Borouge containers have been transported to Abu Dhabi?

Since September 2023, over 36,000 Borouge containers have been transported from a rail freight terminal in Al Ruwais Industrial City to Khalifa Port in Abu Dhabi. Etihad Rail Freight, a subsidiary of Etihad Rail, has operated the service.

How does Etihad Rail work in the UAE?

Etihad Rail freight trains are operational across the UAE via the National Railway Network. Etihad Rail's transport solutions mean significant benefits for businesses, allowing for more productive use of time and resources, reduced costs, and more efficient asset management.

What is Etihad Rail partnering with first Abu Dhabi bank?

In February 2022, Etihad Rail signed a Dh1.99bn (\$541.7m) finance agreement with First Abu Dhabi Bank for developing passenger transport services on the railway network. The arrangement is part of the UAE National Railways Programme, which is the UAE's largest land rail network of its kind.

How is Etihad Rail reshaping logistics across the UAE?

Etihad Rail is reshaping logistics across the UAE. The UAE is building a rail network project that extends its vision beyond just improving passenger transit; it is poised to revolutionise the nation's freight operations and enhance the sustainability of its supply chain infrastructure.
