## Battery Cabinet Price

What is a battery cabinet?

Battery cabinets are a convenient storage solution that encourages staff to maintain the correct handling and storage procedures. By charging and storing batteries in the one location, you are reducing the likelihood of batteries being lost, stolen, damaged or left in unsafe conditions (such as outdoors).

What is a lithium ion battery storage cabinet?

Our Lithium Ion Battery Storage Cabinet LBSC-A10 is designed for secure storage of lithium-ion batteries in labs, workshops, and small industrial units, offering fireproof protection in compact spaces.
