What are the top ranked automatic transfer switch companies?

Here are the top-ranked automatic transfer switch companies as of July, 2025: 1. People Electric Appliance Group Co., Ltd., 2. Sigma Elektrik, 3. NR Electric Co., Ltd.. What Is an Automatic Transfer Switch? What Is an Automatic Transfer Switch?

What is a circuit breaker?

Circuit breakers are switching devices that can close, carry and break the current under normal circuit conditions and can close and carry and break the current under abnormal circuit conditions within the specified time. WHO ARE WE?

What is an automatic transfer switch?

An automatic transfer switch (ATS) is a device that automatically switches from the main power source to a backup power source in case of a power supply anomaly. When the power supply is interrupted or its quality falls below standards, the ATS automatically connects to the backup power source to maintain electricity supply.
