# Electrochemical Energy Storage in Israel

Who inaugurated the new National Institute for energy & electrochemical storage?  
Energy Minister Eli Cohen (fourth from right) helps inaugurate the new National Institute for Energy and Electrochemical Storage at Bar-Ilan University, near Tel Aviv, June 3, 2025. (Shlomi Mizrahi, Bar-Ilan University)

What is the Israeli energy storage Council?

Based at Bar-Ilan but to be run in conjunction with the Technion-Israel Institute of Technology in the northern city of Haifa, the body will oversee the development, training, and commercialization of energy storage technologies.

Are "deep-tech-based" technology solutions the future of Israel?

(Gavriel Fiske/Times of Israel) Bar-Ilan University President Prof. Arie Zaban, an energy researcher and entrepreneur, said "deep-tech-based" technological solutions were critical for the planet's future and that the institute would "help position the State of Israel as an ecosystem in the field of climatech."

How much money does Israel spend on a new research institute?

The institute's innovative research infrastructure will serve all researchers in Israel, and its establishment is very significant news." The Energy Ministry provided NIS 100 million (\$28.4 million) for the new institute, with Bar-Ilan funding the remaining NIS 30 million (\$8.5 million).

Discover how GSL Energy's high-voltage rack-mounted energy storage system and DEYE inverter are powering Israel's energy transition. With a modular design, intelligent ...

A first-of-its-kind initiative, the National Institute for Energy and Electrochemical Storage, was inaugurated at Bar-Ilan University in partnership with Israel's Technion Institute. ...

Bar-Ilan University president professor Arie Zaban and Israel's Minister of Energy and Infrastructure Eli Cohen (center) mark the official ...

The Global Energy-storage Giant HiTHIUM Is Supplying Israel With Large-scale Storage Facilities, Positioning the Country at the Forefront of Next-generation Smart-energy ...

In a milestone event for Israeli innovation, Minister of Energy and Infrastructure Eli Cohen and Bar-Ilan University President Prof. Arie Zaban officially inaugurated the

---

National ...

Jerusalem, 4 June, 2025 (TPS-IL) -- Energy Minister Eli Cohen inaugurated Israel's first National Institute for Energy and Electrochemical Storage at Bar-Ilan University in Ramat Gan. The ...

New NIS 130 million center will pioneer energy storage as renewables gain ground First-of-its-kind institute in Israel, based at Bar-Ilan University and run together with Technion, ...

Bar-Ilan University president professor Arie Zaban and Israel's Minister of Energy and Infrastructure Eli Cohen (center) mark the official opening of the National Institute for ...

A Strategic Leap Toward a Sustainable Energy Future In a milestone event for Israeli innovation, Minister of Energy and Infrastructure Eli Cohen and Bar-Ilan University ...
