
Folding Container High-Pressure Type Manufacturer

Why should you use monoflo containers for manufacturing?

Monoflo's collapsible containers for manufacturing provide strong, secure material handling while helping you achieve optimal storage and stacking. Designed and manufactured to be AIAG compatible, our hand-held containers offer key features that provide flexible use for a wide range of manufacturing applications.

Are monoflo containers collapsible?

Compatible with our straight wall containers for manufacturing and AIAG pallet systems, Monoflo's collapsible containers are designed to accommodate a variety of applications. With knock-down ratios as high as 5:1, collapsible functionality provides significant savings on inbound freight.

Are our hand-held containers AIAG compatible?

Designed and manufactured to be AIAG compatible, our hand-held containers offer key features that provide flexible use for a wide range of manufacturing applications. Why Give Our Collapsible Containers the Last Look?
