
Household external battery solar light

Are solar exterior house lights eco-friendly?

Solar exterior house lights are an eco-friendly, cost-effective way to illuminate your home's front porch, patio, pathways, or backyard. By harnessing sunlight to power LED bulbs, these fixtures eliminate the need for wiring or electricity, making them a popular choice for homeowners seeking sustainable outdoor lighting.

Are solar-powered outdoor lights LED?

Almost all solar-powered outdoor lights are LEDs, with either integrated or replaceable bulbs. Solar lights are overwhelmingly powered by LEDs because they consume significantly less energy than traditional incandescent or fluorescent bulbs, allowing for smaller batteries and longer operational times.

Are solar-powered outdoor lights eco-friendly?

Outdoor lights come in a variety of styles--some people like pathway lights, while others prefer string lights or twinkling garden lights --so you can create the perfect atmosphere for your space. Solar-powered outdoor lights are both an eco-friendly option and a solution to the hassles that are countless cords and frequent battery changes.

Are solar lights good for outdoor use?

Solar lights are overwhelmingly powered by LEDs because they consume significantly less energy than traditional incandescent or fluorescent bulbs, allowing for smaller batteries and longer operational times. Because they are designed for outdoor use, most solar-powered outdoor lights offer decent water and weather resistance.

Illuminate your outdoor living spaces with solar-powered lights. Browse a variety of weatherproof, motion-activated, and adjustable options to suit your needs.

Who We Are
What Is BHG recommends?
At our testing lab in Des Moines, Iowa, we put 27 outdoor solar lights to the test. We assembled them, sprinkled them with water, dropped a golf ball on them (from 6 feet away onto the light and from 4 feet onto the solar panel), and even stashed them in the freezer for an hour to see how well they held up to cold temperatures. We carefully evaluat...
