## Iceland solar Glass House

Where is Panorama glass Lodge in Iceland?

Panorama Glass Lodge is located near Hella, just a one and a half hour's drive from Reykjavík. You can either take a bus or rent a car to come here. This beautiful Panorama Glass Lodge in Iceland is simply stunning and 100% Insta-worthy (or just for your photo collection).

Is mirror Lodge Iceland a good place to stay?

Mirror Lodge Iceland treats you with a luxurious bathroom and a fully equipped kitchen, perfect for self catering. The glass roof window over the bed gives you the opportunity to watch the stars, beautiful summer skies colored by the Midnight Sun, and with some luck the shy Northern Lights.

Where to stay in Iceland?

It is a bit down the hill, if you have reduced mobility we recommend booking the Odin or the Alva Lodge. All cabins have good privacy and are not visible to each other at the glass parts. West Iceland: All Lodges have a hot tub and a hammock net. FRIGG is our Premium/Family Lodge, you can read more about it in the FAQ in the special tab about Frigg.

How do you cool a hot tub in Iceland?

The traditional Icelandic hot tub is set to 40°C, designed for relaxation without jets or lights. To lower the temperature slightly, you can leave it open for about an hour to cool. Please secure the lid when finished to retain heat. Glass Cottages Iceland &#169; 2024 All rights reserved.
