
Price inquiry for solar container leasing options

Does SeaCo lease containers?

Seaco began leasing containers in the 1960's and is now one of the world's leading container lessors. Our flexible leasing options include Operating Lease and Finance lease suitable for short- and long-term durations including sale and leaseback.

What is a short-term Container lease?

After the agreed minimum lease period, the Lessee can return the containers in several pre-agreed locations. Short-term is a lease for a certain number of containers to be supplied and for an agreed period of time typically from 6-12 months. This solution may be suitable for specific storage requirements of cargo in containers.

Should you lease a shipping container?

Leasing can help to relieve the financial investment in buying shipping containers and may be a more tax and cost-efficient alternative for shippers to obtain additional, diverse and/or modern shipping containers for all types of cargo, when and where required worldwide.

What are the benefits of leasing a container fleet?

One of the most important benefits of leasing is flexibility. Our leasing options enable shippers to add to existing fleets and lease container equipment internationally and hire or off-hire in accordance with temporary surges and seasonal demand.
