## San Jose Energy Storage Station Subsidy

Should San Jose buy more power?

In San Jose, city energy officials say they are reluctant to procure additional power until they know which projects will actually be built. "We do not want to buy more power than we need," said panelist Lori Mitchell, director of San Jose Clean Energy, the city's publicly-owned electricity provider. "That's job No. 1."

Which energy storage facility will provide resource adequacy support to Pacific Gas & Electric?

The energy storage facility in San Jose will provide resource adequacy support to Pacific Gas & Electric. An energy storage project at Monolith Substation, Tehachapi, CA. Image: Sandia National Laboratories esVolta announced it has secured a \$110 million tax equity transaction with GreenPrint Capital Management.
