# Swiss wind power storage battery manufacturer

Where is the largest battery storage system in Switzerland?

In Kappel, in the canton of Solothurn, one of the largest battery storage systems in Switzerland is currently under construction, with a total capacity of 65 megawatt-hours. The successful delivery of all system components marks a key milestone on the path to commissioning. Primeo Energie will use our storage system to provide energy flexibility.

Which energy storage projects have been commissioned in Switzerland?

Axpo commissioned its BESS in February this year while utility Thurplus commissioned a 3MW system in September last year. But Switzerland was the location for one of the largest energy storage projects commissioned in recent years, a 20GWh pumped hydro energy storage (PHES) unit which started operations in June 2022 in the Canton of Valais.

Who makes Swiss clean battery?

When building the factory and equipping it with the necessary production facilities, Swiss Clean Battery draws on established and renowned partners. Jonas & Redmann (Berlin), Munters (Hamburg), Dalex (Knowledge) and Metha Bau (Amriswil), for example, are on board.

Is MW storage the country's largest battery storage project?

MW Storage is a developer of BESS projects which is also active in the German market, with a 100MW/200MWh project underway that it claimed is the country's largest. The inauguration ceremony for the BESS project. Image: EWS AG. EWS AG and MW Storage have expanded a battery storage project in Switzerland to 28MW, making it the country's largest.

We're excited to take an important step in Switzerland's energy transition together with Primeo Energie. In Kappel, in the canton of Solothurn, one of the largest battery storage systems in ...

Switzerland is home to several battery companies that specialize in producing advanced and innovative battery technologies. These companies offer a range of solutions for various ...

Swiss Clean Battery AG, based in Frauenfeld, is implementing one of the first series production plants for solid-state batteries in Europe We have the only exclusive license to date ...

Find the top Energy Storage suppliers & manufacturers in Switzerland from a list

---

including Innolith AG, Proventia & Designwerk Technologies AG

Detailed info and reviews on 10 top Energy Storage companies and startups in Switzerland in 2025. Get the latest updates on their products, jobs, funding, investors, ...

We're excited to take an important step in Switzerland's energy transition together with Primeo Energie. In Kappel, in the canton of Solothurn, one ...

Leclanché SA is a leading manufacturer of advanced energy storage solutions, particularly in lithium-ion technology. Their expertise in customized battery systems and management ...

BTRY AG Manufacturer, Battery Technology, Dübendorf, Switzerland BTRY is a start-up based in Dübendorf, Switzerland, and a spin-off of EMPA and ETH. From the lab to the market - at ...

Sigenergy offers home battery storage, residential ESS, and commercial solar solutions. Explore our innovative energy storage systems for sustainable power management.

Next-Level Batteries & EES for many Industries. Swiss Battery supplies Industries: Aviation, Aerospace, Transportation, Solar, Defense & Utility,
