What is a fast charge USB-C desktop powerboard?

High Power Capacity: Supports a total load of up to 10A or 2400W, suitable for most home or office needs. Modern Charging Options: The USB-C port is compatible with newer devices, ensuring future-proof utility. Keep your devices powered and ready to go with the Jackson Fast Charge USB-C Desktop Powerboard in a sleek white finish.

Which portable power station should I buy?

The ideal portable power station to buy depends on which devices you plan to use and how long you will travel without access to a recharging point. Our 1526Wh power station offers triple the power capacity of the 555Wh model, making it the best choice for people continuously on the road or whose camping trips last longer than the weekend.

Is the Jackson fast charge USB-C desktop powerboard available online?

This product is only sold online. Keep your devices powered and ready to go with the Jackson Fast Charge USB-C Desktop Powerboard in a sleek white finish. This powerboard features multiple USB-C ports designed for quick and efficient charging, ensuring your essential electronics are charged without cluttering your workspace.
