# Waterproof Energy Storage Container for Campsites

Why do you need a waterproof storage container?

Waterproof storage containers are vital for protecting your belongings from water damage, humidity, and environmental factors. They are ideal for storing camping gear, important documents, or food supplies, particularly for outdoor activities and emergency preparedness.

What kind of water container should I use for camping?

If you're wild camping, it's best to use a carrier with a wide, bottle-like opening - like the Ortlieb Water Bag and Sea to Summit Watercell. This will help you to easily fill up from natural water sources. Most camping water containers are designed to pack down small, so they'll fit into your boot or backpack.

What are the best camping storage boxes?

Here is a roundup of the seven best camping storage boxes that have been personally tested for their durability, versatility, and ease of use. 1. Pelican Elite 95QT Cooler Output: This robust cooler doubles as a super-durable storage box. It's tested to hold ice for up to 10 days, which means it's incredibly well insulated and airtight.

Can a Yeti cooler be used as a camping storage box?

It makes all too much sense that Yeti would offer an uninsulated version of their popular hard cooler to use as a camping storage box. And while many brands choose to sell a host of accessories separately, Yeti kindly includes an inner lid organizer, drop-in trunk organizer, and vertical divider.
