# Wholesale lv switchgear panel in New-Zealand

Who makes bespoke low voltage switchboards?

BREMCA engineers and manufactures bespoke low voltage switchboards for the industrial and commercial sectors to create seamless custom solutions. We also have a comprehensive range of medium voltage switchgear solutions, such as indoor fixed switchgear, ring main units, & motor control centres.

Who makes low voltage commercial switchboards?

In creating low voltage commercial switchboards, we often utilise Eaton, ABB, and Schneider componentry, amongst others to build the perfect solution. BREMCA manufactures Motor Control Centres (MCC's), utilising its in house designed Axiom and Eaton XEnergy, both compliant 61439 solutions.
